¡Dos lenguajes, muchas culturas, infinitas posibilidades!
Two languages, many cultures, infinite possibilities!
Risen Christ Catholic School has just completed its 23rd year. The year has been filled with change, challenge, growth and commitment to the mission of service to the children and families of this school.

It is also a time to be grateful for the leadership, dedicated faculty, staff, volunteers and benefactors who have made significant contributions to the students and families in south Minneapolis.

The Board wants to give a special thanks to John Banovetz for his years of service as Board Chair. We are grateful to him for his vision and skill in navigating Risen Christ through challenging times with unwavering support of the mission. We wish John success in his new position at 3M as the Managing Director of Germany, Austria and Switzerland.

The 2015-16 school year brought new leadership as we welcomed Michael Rogers as President and James DeLong as Director of Advancement. It was also a year of:

- **Strong Board involvement**
- **Academic achievement**
- **Renewed focus on fiscal issues**
- **Continued implementation of the Spanish-English dual immersion model**
- **Expanded opportunities for family enrichment and involvement**
- **Strengthening collaboration with community partners**

As the new Chair of the Board of Directors, I know that John will be a tough act to follow. However, I am confident that with the support of Board members, school leadership and the community that is Risen Christ, we will continue to make a difference for the children and their families.
The 2015-16 school year was one of great change for us at Risen Christ. Our dual immersion program expanded into a new grade level, our enrollment increased and there was transition among our Board and Leadership Team.

But through any change we might encounter, we walk together in support of our mission to educate children in mind, body and spirit to live and lead in the example of Jesus Christ.

Academic results are important. Physical health is important. Faith is important. But at Risen Christ we do not see these things as distinct items, separate from one another. We see them as key components of an integrated program that serves a diverse community of children. This is why Catholic education is, in the words of Deacon Joseph Michalak, “The broadest and deepest education humanly possible.”

I believe this integrative approach explains why our students outperform their public and charter school peers on state tests. Or why our graduates attend high schools like Cristo Rey and DeLaSalle, which are stepping-stones to universities like St. Thomas, Creighton and the University of MN. I believe this deep, Catholic education explains why so many of our graduates turn into young adults of faith who are dedicated to their communities and families.

It also explains why your generosity is so essential. You help us fulfill our mission through every gift. You help us provide this transformative Catholic education at a tuition rate that is affordable for the single mother with three children working two jobs to make ends meet, or the family who has immigrated from Honduras so they can access critical medical care for their special needs child.

On behalf of our families, and all of us at Risen Christ, thank you for making another amazing school year possible!
Excellence—Much To Be Proud Of!

The 2015-16 school year was an exciting one filled with hard work and dedication to excellence! Our dual immersion program expanded to first grade and 73 scholars learned in both Spanish and English every day. Results from the Children’s Progress Academic Assessment (CPAA) demonstrated that our kindergarten and first grade students were meeting expectations in all areas of reading and mathematics in both languages!

Our City Connects program was launched with Lindsay O’Keefe as our school coordinator. Students and families were connected to over 1,128 community services in just three and a half months—truly, a great need is being filled!

As part of our accreditation process for the Minnesota Nonpublic School Accrediting Association (MNSAA), the faculty worked diligently on a self-study to thoroughly examine our programs and policies in light of our mission to be a bilingual, multicultural and financially accessible school of excellence, educating children in mind, body and spirit to live and lead in the example of Jesus Christ. The findings will guide our work in the development of a Strategic Plan.

Our school was twice honored this year as Mrs. Diane LaBeau, one of our second grade teachers, was named Honor Teacher of the Year from the Minnesota Independent Schools Forum (MISF) and when a Boston College report titled, “Catholic Schools in an Increasingly Hispanic Church” featured Risen Christ as a school of excellence.

Our students also have a lot to be proud of — 70 percent of our 46 graduates were accepted into Catholic high schools and ten students received Flaherty scholarships (financial assistance making attendance at Catholic high schools possible). From a student’s perspective, the highlight . . . a visit from Minnesota Twins players and TC Bear!
Our Donors, Our Inspiration!

In December 2015, it was my unique honor and privilege to return to Risen Christ as the school’s new Director of Advancement. What a rewarding homecoming it has been!

With nearly 800 contributors and our second consecutive year exceeding an Annual Fund goal of $1 million, we continue to be humbled and inspired by remarkable donors like you. We are always amazed and impressed by the growing number of donors who have given five, ten or more years consecutively. This past year, we were pleasantly surprised to receive three generous planned gifts and are particularly grateful to the donors who had the vision and courage to write the children of Risen Christ into their estate plans.

Time and time again, you have answered the call to give through numerous financial contributions, gifts-in-kind, pro-bono services and countless other acts of kindness that defy measurement.

So many of our students and their families live in a world of uncertainty when it comes to finances, housing, employment, healthcare and educational options. Our families look to Risen Christ as a place of stability, promise and hope for their children. Because of your generous spirit, our families can depend on Risen Christ to provide their children with a safe, rigorous and faith-filled educational experience positioning all students for long-term success in life.

While we take a moment to reflect on our success, we never lose sight of our ongoing challenge to secure the resources necessary to fulfill our mission. The challenge is great, but I consider myself tremendously blessed to be a graduate of Risen Christ, working alongside you as partners for the good of this school and those we proudly serve. Thank you!

Risen Christ students invite you to visit. Meet students and school leadership over lunch, followed by a student-led tour.

Our families look to Risen Christ as a place of stability, promise and hope for their children.

2015-2016
Advancement Committee Members

Bonnie O’Connor - Chair
Fairview University Medical Center - retired
Craig Erickson – Erickson & Wessman, PA

The Transformative Power Of Community

STEVE BLESSING
Director of Finance and Operations

The figures on this page are meant to show, in a simplified manner, the inflow and outflow of cash during the fiscal year July 1, 2015 – June 30, 2016. Risen Christ School conducts an annual audit of its financial statements; that audit will be available for review in the school’s business office.

Since beginning at Risen Christ in July of 2016, I have been humbled by the great passion by which the entire community of Risen Christ acts to support the students and their families. You might be tempted to ask, “Does our work really make a difference?” The answer is a resounding YES! The passion of teachers, school leadership, donors and community partners all make a seemingly impossible task possible and the improbable impact palpable. This community is truly transforming the lives of students and their families.

The Finance and Operations department is proud to report last year’s achievements of a balanced budget, increasing enrollment and strides toward reducing debt service. In the coming year we will focus our efforts on improving our internal organization in such a way as to stretch every resource provided. Our goals for productivity and process improvements are expected to create a more streamlined approach to implementing our mission. In doing so, we will become even better stewards of the generous resources provided by our community of supporters and better able to continue to live out your passions for our mission.

Thank you for all you do to help us fulfill our mission!
Volunteers Change Students’ Lives

We are blessed to have hundreds of dedicated, talented and reliable volunteers changing the lives of our students through tutoring, mentoring and leading classroom activities. This year, volunteers taught 3rd graders about birds and bird watching and donated a set of binoculars for the classroom. High school volunteers wrote, illustrated and shared bilingual storybooks with all kindergarten and first grade students. And, at each grade level, at least one volunteer per week assisted students in some way.

Our volunteer program also benefited from the addition of full-time Americorp VISTA worker, Courtney Hinz, who developed and expanded the dual language volunteer program. She updated and improved many of the processes and systems in the volunteer office and helped implement a new electronic sign-in system for volunteers, making it easier for volunteers to get involved with Risen Christ.

After I volunteer...

- I feel accomplishment because [the students] are constantly progressing.
- I feel great because one or more of the students benefited from the time reading with me and their classmates.
- I feel blessed because I’ve been given the chance to give back.

When I work with RC students...

- I see wonderful teachers doing a great job.
- I see respect and love. It’s so amazing to me that the children are thankful. I love it!

Volunteers reflect on the merits and value of their experience in 2015-2016:

MAGGIE MCCARRICK
Director of Volunteers

At Risen Christ over 300 volunteers donated 6,856 hours totalling $161,527 in labor, according to values set by The Independent Sector of Washington D.C.

Our volunteers come from . . .

Schools: Nativity of Our Lord School, Cretin-Derham Hall High School, St. Thomas Academy, Benilde-St. Margaret’s School, Convent of the Visitation High School, University of St. Thomas, University of MN, St. Catherine University

Churches: St. Joan of Arc, Pax Christi, St. Olaf, St. Patrick’s in Edina, St. Albert the Great, Holy Name, St. Stephen’s, Incarnation/Sagrado Corazón, Holy Rosary/Santo Rosario, St. Lawrence Catholic Church

Community: Catholic Tutor Corp, Ignation Volunteer Corp, League of Catholic Women, Thrivent Financial, Page Education Foundation, Communion and Liberation—a Catholic lay-movement
You gave generously

Risen Christ Catholic School gratefully acknowledges all gifts received.
Each gift is important. Every dollar counts.
