MISSION

Statement

Risen Christ Catholic School is a K-8, bilingual, multicultural and financially accessible school of excellence, educating children in mind, body and spirit to live and lead in the example of Jesus Christ.

Established in 1993, Risen Christ Catholic School is grounded in the histories and traditions of our five founding parishes: Holy Name, Holy Rosary, Incarnation, St. Albert the Great and St. Stephen's.
Thanks to your tremendous generosity and the grace of God, we made extraordinary strides in our 25th anniversary year!

We began the 2017-2018 school year in a very challenging financial situation but reduced our projected operating deficit by nearly $250,000 by the end of the fiscal year. We also demonstrated our commitment to living within our means when the Board of Directors passed a balanced operating budget for 2018-2019.

Our staff, Board, volunteers and generous donors supported the quiet beginnings of the Fulfilling the Promise capital campaign to address our greatest threat—debt. These incredible people helped us reach our first campaign milestone of $1.2 million by the end of June, and we continue our efforts into the current school year.

The graduating Class of 2018 was one of our strongest in recent memory. They achieved the highest MCA scores we have ever recorded here at Risen Christ and 90% were accepted into Catholic high schools. They will thrive as they enter the next stage of their lives because of their dedicated teachers and gracious supporters like you.

Finally, after serving the Risen Christ community for 17 years, beloved Principal Liz Ramsey announced her retirement at the end of the school year, capping off an extraordinary career in Catholic education. Her humility, generosity and dedication to the students was demonstrated every day through her servant leadership at Risen Christ.

We are deeply grateful for the remarkable individuals, parishes, foundations and other supporters like you who made significant gifts this past year to place Risen Christ on the path toward sustainability. While we made tremendous progress last year, there is much work ahead. We will not rest until the future of our school is assured.

Thank you once again for your support! Let us pray for another 25 years serving the children!

Data based on October 1, 2017 enrollment.
Based on the 2018 Minnesota Comprehensive Assessment (MCA), Risen Christ’s Class of 2018 outperformed Minneapolis public school children living in similar socioeconomic circumstances, scoring three times higher in Math and more than two times higher in Reading.

Since 2018, the Flaherty Family Foundation has granted 21 high-potential Risen Christ graduates with four-year scholarships to local Catholic high schools.

GHR Foundation supports Risen Christ with funding for student scholarships, assessments, professional development, the City Connects program and more.

Since 2015, 3X graduates since 2016 have earned DeLaSalle Presidential Scholarships.

Since 2016, 13 Risen Christ students have been accepted into the Countdown to College initiative at St. Mary’s University, a competitive program that selects just 24 students per year, supporting them through high school as they prepare to become the first in their families to attend college.

90% of our Class of 2018 were accepted into Catholic high schools.

11 graduates since 2016 have earned DeLaSalle Presidential Scholarships.

Risen Christ is a founding member of the Two-Way Immersion Network for Catholic Schools, a national network of 20 Catholic dual immersion schools grounded in research and leadership by the Roche Center for Catholic Education at Boston College.

English Language Learners enrolled at Risen Christ significantly outperform their peers in Minneapolis public schools and across the state of Minnesota.
After facing significant financial challenges in 2016-2017, we entered the 2017-2018 fiscal year with an all-hands-on-deck attitude and a new strategic plan. We responded to our urgent financial situation by carrying out strategic operating changes, resulting in reduced expenses and increased revenues that helped us cut our operating deficit by nearly $250,000 and enter the 2018-2019 fiscal year with our first balanced budget in recent memory.

Our new operating practices are more efficient and gaining long-term traction. We implemented new data gathering mechanisms to assure we receive every dollar to which we’re entitled from state and federal programs. This funding relieves some of the pressure on our philanthropy-based model, providing additional resources that directly impact student academic outcomes.

In parallel with these efforts, we took the first major step toward eliminating Risen Christ’s long-standing debt by embarking on a capital campaign. We surpassed our first campaign milestone of $1.2 million, allowing us to retire some old obligations and reduce our debt service while we pursue our next campaign milestone of $2.5 million.

Remarkable progress has been made to address our financial challenges, but we know that much more work remains.

As we reflect on this past year, please know that supporters like you make all the difference in the lives of Risen Christ’s students. Your generosity, prayers and trust are bearing great fruit toward our goal of achieving long-term financial sustainability.
The figures on this page are meant to show, in a simplified manner, the inflow and outflow of cash during the fiscal year July 1, 2017 – June 30, 2018. Risen Christ Catholic School conducts an annual audit of its financial statements; a copy of our audited financials will be available for review in the school’s business office. Volunteers impacted every area of school programming in 2017-18 from the Board of Directors to student academic achievements to helping with various tasks around the school.

Statistics:
- **6,298** TOTAL volunteer hours (5,917 community volunteer hours; 381 family volunteer hours)
- **274** volunteers (236 community volunteers; 38 family volunteers)
- **25** bilingual volunteers
- **78 new** volunteers (34 had direct contact/impact with students; 28 of those had some level of Spanish)
- **35%** of community volunteers have volunteered at Risen Christ for 5 plus years; as a group they donated almost 1/2 of the total number of community hours!

Using the Independent Sector value of volunteer time in Minnesota ($27.58/hr), this gift of time and talent equals **$173,699** of donated time!

What does this mean for Risen Christ students?
- **Every student was directly impacted by a volunteer through 1:1 tutoring, small group programs, art instruction or mentoring.**
- **Students received almost 3,000 additional hours of support and instruction, all from volunteers.**
- **1st and 2nd grade students who worked with a volunteer improved their MAP Growth Points and met their personal goals on MCA tests according to their teachers.**
- **As volunteers become more involved and committed to Risen Christ, they make a bigger impact on our students.**

**¿Hablas español?**
In 2017-18 our total number of Spanish-speaking volunteers grew 60%! Our need for Spanish-speaking volunteers will continue to grow as our dual immersion program expands in the coming years.

In 2017-2018 we launched our **Fulfilling the Promise** capital campaign to address Risen Christ’s greatest threat—debt. We would like to acknowledge the incredibly generous contributors below, who made gifts or pledges by June 30, 2018, helping us reach our first campaign milestone of $1.2 million. As our campaign efforts quietly continue, we appreciate your patience while we take aim at our next fundraising milestone.

We look forward to inviting others to join us in this noble endeavor to make Risen Christ a debt-free school for the first time in its history, and celebrating our achievements in the coming year.
